1. [] Comment. The places mentioned are the locations of large Soviet supply installations. 25X1

2. [] Comment. These trains possibly carried troops. 25X1

3. [] Comment. Not counting actual and probable troop movements involving about 2,400 railroad cars, Soviet supply traffic reported for February increased by 100 percent over the level of supply shipments observed in January and thus reached about the volume reported for November and December 1952. [] Personal shipments do not appear to be included in the present report. 25X1

4. [] Comment. These trains carried component units of the 9th Gds Tank Div from Neu- and Altruppin railroad stations to their military posts after the conclusion of practice marches held in the area north of Netruppin. According to previous information, the five shipments were dispatched from Alt Ruppin on 15 and 16 February [] 25X1

[] A unit of the 3d Gds AT Arty Brig, which had participated in the maneuver of the 9th Gds Tank Div, was moved back to Rostock by a train [] 25X1

5. [] Comment. These trains probably carried component units of the 3d Bngr Regt of the Fourth Gds Mech Army which held exercises in the Beeskow area in January and February. [] 25X1

6. [] Comment. Two trains loaded with component units of the unidentified light artillery brigade of the Fourth Gds Mech Army which participated in practice marches held by the reinforced 6th Gds Mech Div. [] 25X1

7. [] Comment. Two shipments of the 31st AAA Div from Schoenwalde. [] 25X1
